SERIAL No.

‡ 1. No. and date of latest letter or paper.
2. Catch words to show nature of subject.
3. Subject to be in red and body of note in black ink.

‡ **Subject.**

Letter No Pg. 206 dated the 5th May 1903, from the Deputy Commissioner, Mysore District, in re the Health Sheds built for the use of the Police in the Mysore City.

* **Note.**

Sl no: 1 4

In his letter No 50 dated the 17th September 1902, the Deputy Commissioner, Mysore District, represented that plague was ~~increasing~~ increasing in the Mysore City and that it was desirable to build sheds outside the city for the accommodation of the ~~Mysore~~ City and Reserve Policemen.

x no: 5041-4-222 D 27-9-02 (Sl no 3) B

2 Sanction was therefore accorded to the construction of 51 sheds for the use of the Reserve Police and 100 more for the City Police at an estimated cost of Rs 1275 and Rs 2500 respectively.

⊗ Sl no 8 C.

3 Subsequently the Health Officer, Mysore City, in his diary of the 26th November 1902, observed that out of the 51 sheds built for the Reserve Police only 8 or 10 had been occupied and that the money which had been spent upon their construction had therefore been wasted.

x Sl no 6 D

4 The Deputy Comm was asked to report whether the observation made by the Health Officer was correct and if so, what he proposed doing with the vacant

⊗ Sl no: 7 E

sheds

* 1. Statement of case in narrative form in regular sequence of subject matter or date.
2. Opinions to be stated only as supported by precedents, or general rules which should always be quoted.
3. Serial numbers in file, &c., to be always stated.
4. Dates of important documents referred should be given.
5. Write on both sides, leaving the same side as margin.

sheds.

5 In reply the Deputy Commissioner, with the letter cited above, forwards memo dated the 2nd May 1903, from the Assistant Superintendent of Police, Mysore District, who states that the sheds erected for the City Police are all vacant, that now as there is no plague in the city nobody is willing to occupy them and that therefore they may all be sold by public auction as they are of no use any longer. Regarding the 51 sheds built for the Reserve Police, the same Officer adds that the Reserve men had all been located in these sheds till the 12th Jan: 1903, when the plague beginning to subside all of them returned to their homes. The Asstt. Supdtt. thinks that these may be retained.

6 In these views the Dy. Commr. concurs.

7 If, as directed in Order No5041-4 -L.B.P. 222 dated the 27th September 1902, these sheds have all been constructed as strong and durable as possible in view to their being hereafter used for further purposes if necessary, it seems undesirable to sell the 100 sheds built for the city Police as suggested by the Dy. Commr. It is by no means certain that there will not be another recrudescence this year and that ~~these~~ those sheds will not be of use for somebody or other if not wanted by the Police.

8 Draft that none of the sheds need be sold for sometime more but maintained in good order for possible ~~future~~ further use is put up for approval or other orders.

16/5/03

15/5/03.

The sheds built at a Cost

Ie Health Officer said only 8 or 10 had been occupied. Vide para 3 supra.

5C no: 8

of about 25 Rs each are not likely
to be very durable; nor are they
likely to fetch anything if
sold. Perhaps the matter is
one that could be better de-
cided after an inspection
The draft is however submitted

for approval

camp Cooty.

I do not know what the recommendation
was made if there was really no need -
My impression is that the sheds are
durable and ought to be maintained -
I agree to the office note - with the
slight addition I have made - If
an personal inspection of loco
enquiry, I should find that the
recommendation to which Govt
in the usual course was,
all-considered and lasty, I
would take such further
action as might be deemed
proper against the officers
responsible - The discrepancy
as regards the Reserve Fund between
the Health Officer's report & the

Adp 10377
20.5.03

Hyde Park statement requires explanation - He & Town Clerk not seem to have noticed it -

C
20/5/03

Dotg 10377/20.5.03

I have noticed that the Council have had explained to me everything in connection with their construction & determination. In view of the approaching Plague season, it would be a gift to Europe of these sheds for a nominal price which is all that they are likely to fetch - I would suggest that an order be given as follows:

In continuation of their office No 16937/1903/P811 of 28/5/03, has the honour to observe that Local Govt are not satisfied either that the sheds in question were built as temporary substantially as has been stated or that they were completed in time for occupation during the Plague season or that they have since been properly looked after or kept that it is desirable to dispose of them in the manner proposed - An enquiry into the [illegible] & of the

already pointed out to the Reason
— absence or otherwise — of the cost incurred
thereby should also be made —
Lastly the Police staff employed
on Picquet duty in the city
should be so reduced as to
enable the necessary constables
from among the working
classes being employed without
extra allowance to form,
with the sheds being
altered [illegible] further
and the sheds being repaired
as early as possible for use
this year should occasion
for such use arise —

An order as above may
be copied — a lot of money
was spent — It is better
to maintain than to allow
the sheds —

From,

The Dy Commissioner

Nagore District

To

The Assistant Secretary to Government

in Charge of the Local Boards Branch

Bangalore

Dated 17th September 1902.

no: 50

Exp. 4.

Sir,

In confirming my telegram of date as per margin, I have the honor to state that plague is increasing in the city and that it is urgently necessary that the Reserve Police as well as the city Police who now occupy private houses in different infected quarters of the city should be provided with proper accomodation.

* 17.9.02 'Plague increasing sanction solicited to provide sheds to Reserve and city police. Letter follows.'

accomodation outside the city. The Reserve Police Lines have all been taken up by the Palace Servants under orders of His Highness the Maharaja, and the available houses in the Weavers' Lines are also being utilised for the same purpose. The Reserve men are too poor to build sheds for themselves and being employed on Special duty at the Palace and elsewhere in the city; and some being on the sick list they are unable to contribute even in the shape of labour. I have therefore in view of the urgency of the situation authorised the Assistant Superintendent of Police in anticipation of Government sanction to undertake the Construction of 51 Sheds at a cost

Only 12 as per Superintendent's note of [illegible]

of Rs 1270/- for the use of the Special Reserve men.

2. As regards the city Police the Asstt. Superintendent of Police reports in his letter no. †236 dated 17th September 1902 that some of the men have already succumbed to the dire disease. The case of the city men in my opinion also deserves very favorable Consideration. I beg therefore that sanction may kindly be obtained for Constructing 100 Sheds more for the use of the city Police.

† enclosed in - original

3. An estimate for the Cost of each Shed is herewith submitted for favor of Sanction.

I have the honor to be

General No. 236
No.

Enclosure No. 3 -

Has the honor to forward herewith the Special Reserve Inspector's Report in Original enclosing the 2 Estimates received from Contractors Ally Jhan and Dunsamy Moodr— re the building of Sheds for the Police -

It will be seen from the Estimates tendered by the above Contractors, that a Sum of Rs 27-3-0 is the lowest charge for each shed and that a deduction of Rs 2/- may be effected by giving the whole Contract to one and the same Contractor for

MGCPB—3-3-01—50 reams.

building not less than 50 or 60 Sheds at a time -

As there is a rapid increase of plague Cases in the city, and some Policemen have already succumbed to the disease, it is desirable that the Police who are living in the Congested portions of the city are located outside the town in sheds.

It is therefore requested that early sanction may kindly be accorded to the building of 51 Sheds for the Special Reserve, and 100 Sheds for the City Police, As the above terms of Contractor Dhanasamy Naidu appear to be very reasonable and just in my opinion -

Memo

With reference to the General and Revenue Secretary's docket No: 15258 dated 22-4-1903 L.B.P. 7465 to the Deputy Commissioner requesting him to report why most, if not all of the sheds constructed for the temporary location of the Reserve Police and for the City Police have not been occupied and what is proposed to be done with the vacant sheds, I beg to submit as follows.

The newly erected sheds for the City Police are all vacant and no body wants to go and occupy them now as there is no plague in the City. As they are no longer required for the use of the City Police they may be sold by Public auction.

All the Special Reserve men were located in the sheds constructed for them till the 12th January 1903. Since the Plague figures came down the men had to return to their houses. When the Plague break out again this year the Special Reserve men will have to shift to the sheds and so they may be retained for this year.

Enclosure No.

His NoPg.206 dated the 5th May 1903.

In reply has the honor to Govt have not prepared to state that his proposal ~~as contained in the above,~~ to sell by public auction the 100 sheds built for the Mysore City Police as per Progs. No 5041-4-L.B.P.:222 dated the 27th September 1902, ~~does not commend itself to Govt~~. These and the 51 sheds put up for the Reserve Policemen should all be properly looked after so as to be useful in times of emergency. If necessary a care-taker may be appointed-in case there is none at present- on a small pay, say Rs5 a month to look after them.

The order was that these sheds should be disposed of suitable They should be shown to the 2 Cr when he next visits Mysore. In the meantime letter should be written to see that no Govt detriment

By order, H.V.N. 16/5/03 Secretary

24

2 - While the Health Officer said that only 8 or 10 of the 57 sheds built for the Reserve Police had been occupied the Asst Supdt of Police reports that the Reserve Police men had all been located in these sheds till the 12th January 1903 - This is a serious discrepancy (absences not noted by the Coms) and which I have called explained -

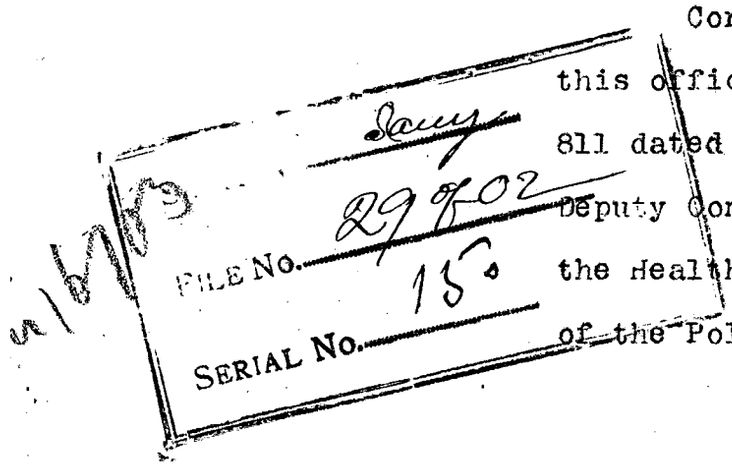
Read:-

Correspondence ending with this office docket NO. 16937-L.P.B. 811 dated the 28th May last, to the Deputy Commr, Mysore Distt, in re the Health sheds built for the use of the Police in the Mysore City.



Order thereon NO. 17959-61 LP.P852 Dated. 22/6/03

Govt are not satisfied either that the sheds in question were as well built as they should have been, or that they were completed in time for occupation during the plague season. They do not appear to have since been properly looked after; & it is doubt-ful whether it would be expedient to dispose of them in the manner proposed. Enquiry should be made concerning the number of sheds actual-ly put up & whether the cost incur-red therefor was reasonably ~~spent~~ & the result reported for the orders of Govt.

2 Caretakers should be employed for these sheds & further deterioration prevented. Such repairs as are necessary should be carried out, so as to keep them ready, if unfortunately occasion should arise for their occupation this year.

3 The Police establishment in the City should be reduced ~~so as to meet~~ the cost of caretakers ~~& of repairs~~

of

of the sheds referred to.

Office of the
Inspector General of Police in Mysore.
Dated Bangalore 2nd July 1903.

From
C. Madaiah Esquire, Rao Bahadur,
Inspector General of Police
in Mysore.

To
H. V. Nanjundayya Esqre M.A. M.L.
Secretary to the Government of His
Highness the Maharajah of Mysore,
General and Revenue Departments.

Sir,

With reference to Government Proceedings No: 17959-61 L.B. P. 852 dated 22nd ultimo, stating that caretakers should be appointed for the Plague Sheds in the Mysore City and that the Police Establishment be reduced to the extent necessary to meet the cost of the caretakers, I have the honor to state that the above measure does not seem to be necessary, as some of the Plague Sheds which I inspected have past all repairs. It seems to me

to

to be needless to shend any more money either for ther repairs or for watch and ward instead of selling them outright by public auction.

I have the honor to be,
Sir,
Your most obedient Servant,

Inspector General of Police.

Camp No 31-4, Dated 10 Oct 03

ORDER.

SECTION Sanry
FILE No. 290/02
SERIAL No. 17.

To meet the increasing demand for accommodation at the outskirts of the Mysore City in consequence of the continued prevalence of plague in the City, Government direct that in addition to the several measures already adopted one hundred substantial sheds be immediately erected in places carefully selected with due regard to probable requirements. This work should be undertaken at once and completed as quickly as possible. Sheds should be rain-proof and comfortable. An advance of Rs.4,000/- will at once be placed at the President's disposal for this purpose subject to adjustment on receipt of completion bills which should be submitted by the end of October 1903. ~~Tarred~~ Corrugated iron roof should be preferred. The size of the sheds should vary according to the class of the people to be housed, and will be left to the discretion of the President. Government rely upon the President doing his best to encourage early evacuation by the provision of as much accommodation as possible to people whose further residence

residence in congested parts of the City in infected houses or amidst insanitary surroundings , is attended with risk and is therefore undesirable.

The materials in stock should be utilized and more purchased to the extent necessary. The wood and bamboos required will be promptly supplied by the Forest Department on the President's requisition at cost price.
